PLEASE NOTE we cannot boost image posts if the total amount of text is over 15% of the total image area - even if it is not all together - Facebook makes the final decision how much is too much.

- Please send us social media images.
- Please also include versions with no text (preferred) or very little text.

heck yeah - we can boost this post

no way they will let us boost this post

- Make sure you have the photographers' permission to use their photos online
- Include photo/art credit and links to the photographers' site or Facebook page when sending images to HUGE so we can include appropriate credit in our posts.
